Multi-year membership payment option

1. Hillside alumni who wish to purchase a multi-year membership may break their payments over a 24 month period.
2. Multi-year membership include:
 - a. Silver membership (10 years): \$150.00
 - b. Gold membership (25 years): \$375.00
 - c. Platinum membership (Life): \$500.00
3. Individuals may make payments on their multi-year membership beginning in October after the Annual Meeting but must be paid in full by October 31st, 24 months later.
4. A membership/renewal application must accompany the first payment indicating what multi-year membership the member is seeking.
5. If an individual has not paid the entire multi-year membership by October 31st, the membership will be reverted to the next lowest membership and any money paid above said membership will be applied as single year membership payments. For example if an individual is paying on a \$375.00 Gold Membership, but has only paid in \$300.00 by October 31st, the individual would receive a Silver Membership (\$150.00) for ten year plus 6 years for the remaining \$150.00.
